

CALEX MANUFACTURING COMPANY INCORPORATED

Memorandum

To:

From:

Date:

Subj.:

**AC/DC, Linear, 90-110Vac and 200-260VAC Input , Product Discontinuation
Announcement**

After a significant reduction in demand over the past three years, which has resulted in significant cost increases, it has now become necessary to announce our plans to cease manufacture of the Linear AC/DC power supplies, 90-110Vac and 200-260Vac input range.

Please see below our phase out plan together with the products affected.

We are offering a last time buy with MOQ of 100 pcs per specific p/n. any last time buy orders will be accepted on a non cancelable and non returnable basis, other than this our normal terms and conditions would apply, with a final delivery date as shown below.

Final Date for Last Time Buy Orders: 12/31/2014

Final Delivery Date: 03/31/2015

The Linear power supplies products below are included in this notice:

Chassis Mountable Power Supplies:

CM1/CM2/CM3.xx.yyy-**100/220/230/240**

PC Board Mountable Power Supplies:
